HUNTINGTON PARK HIGH SCHOOL

Dear Maria,

It's a lot of fun but now
it's time to say goodbye. But
of course it's not forever. You
have really been fun.

And you're a great girl.

Take care of yourself.

I hope to see you in
college at UCLA.

September

Dear Diary . . .

Surprise! Surprise! Here we go again, It's time for the old School House. What a difference 8 weeks has made on everybody! Some have changed by the way they dress or by the way they act. School food (however) is still the same! And so are the teachers! It was exciting during spirit week with the Big Game against Bell. B-Track is lucky, they get to sleep until 10:00 a.m., while the rest of us have to get up at 6:00 a.m.! Oh well, gotta go, I have 6 periods of homework to finish by morning (give me strength)!

Dear Diary ...

Today was so strange! There were so many people dressed up for Halloween! Along with the people who look like they dress for Halloween year-round, we had a girl dressed like an Oriental, a tramp and some guy came in drag! I just died when I saw that girl dressed like, of all things, a bag of jellybeans! At least, my 6 year old niece went as Nancy Reagan!

October

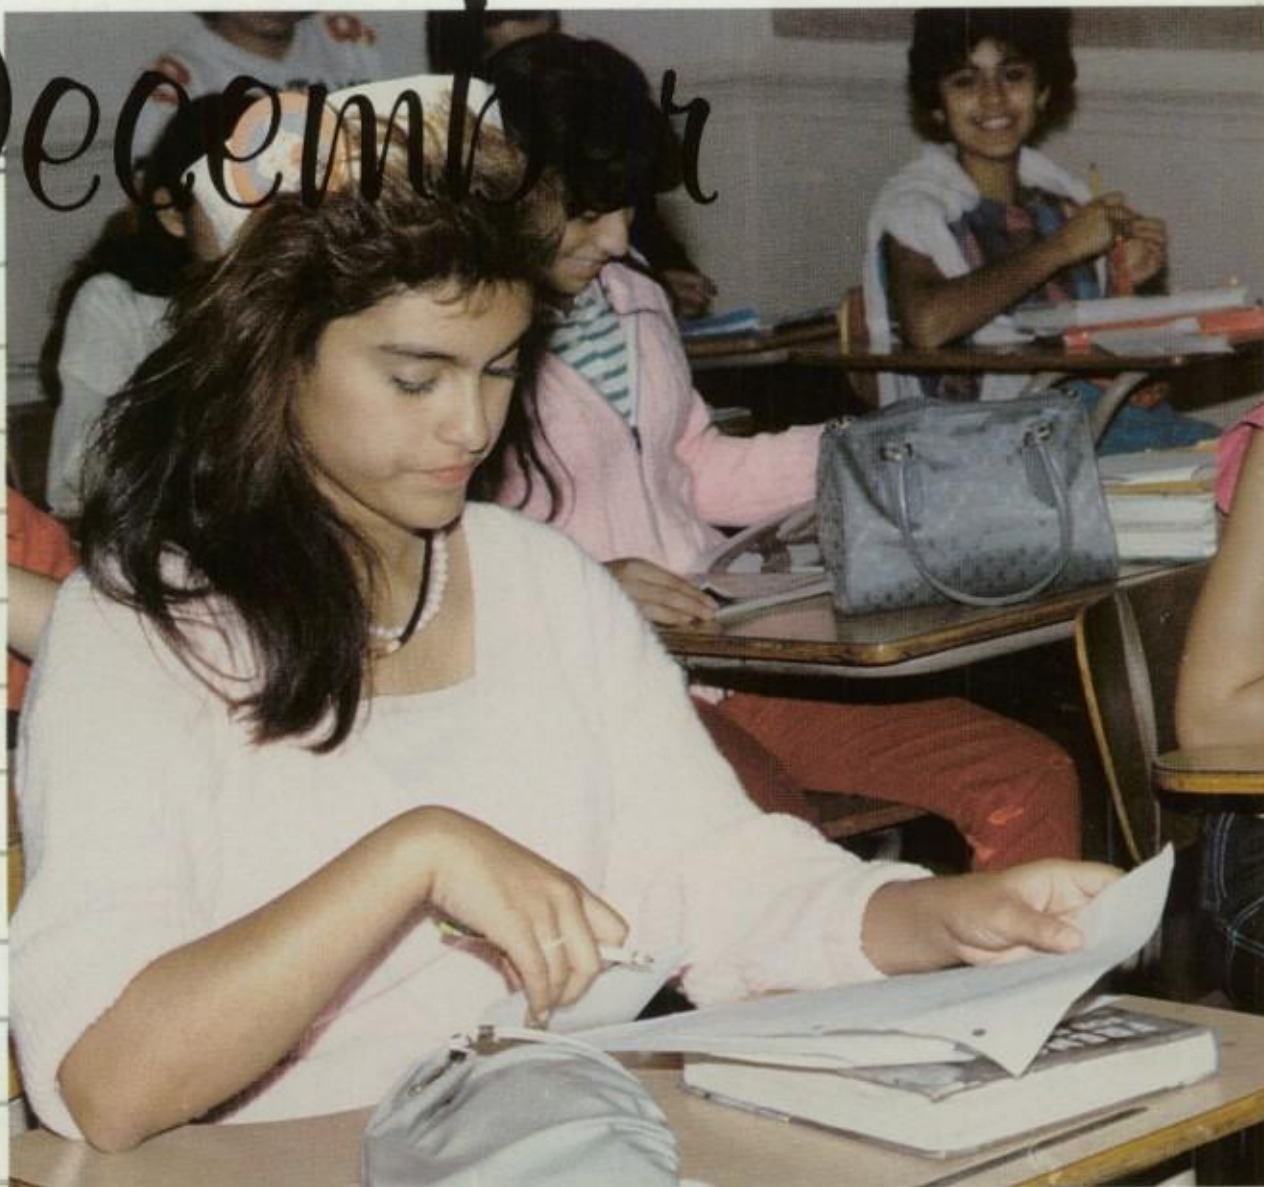

Dear Diary ...
 Oh Boy, am I tired! What a night! I was spectacular (I was payed \$5.00 to say that) and Claudia Ojeda made a beautiful Queen (although Pilar Ar-
 tigau or Alma Fragosa or Kelly Grif-
 fiths or even Ruth Sola would have
 been just as beautiful). I guess I'll
 never forget us winning both football
 games, that was just boss!

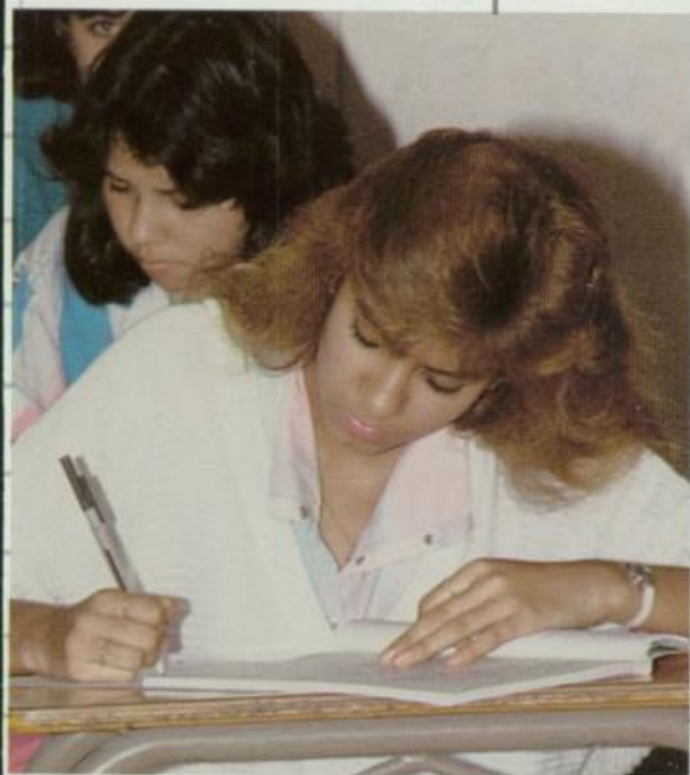

November

December

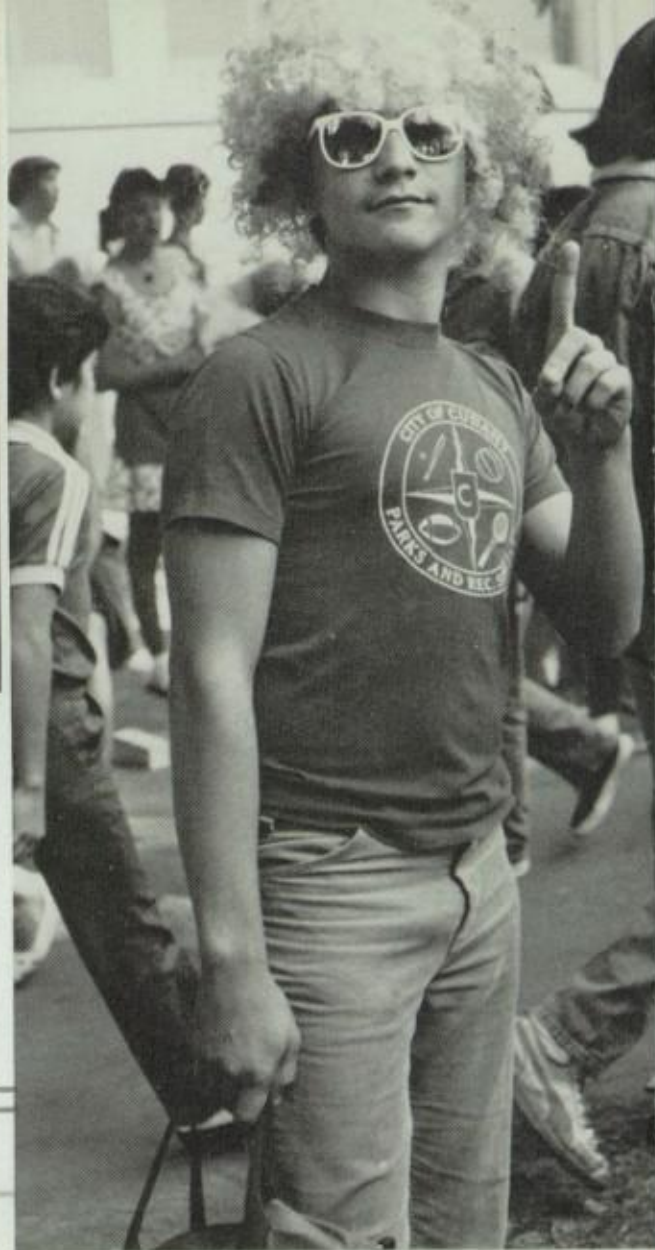

Dear Diary . . .
 Christmas is on the way and I just told Santa that I want an Apple IIc, just like the computers in the new Lab. H.P. sure has embraced the new technology. I went by the bookstore, (looking for a thesarus or a dictionary as a present for my niece) and was amazed at how much the store has grown. There is literally something for everyone. Maybe Santa will bring me brains for Christmas so I can pass the SAT, and all those other tests. Oh well one can always hope . . .
 Happy New Year.

Since 1968, Huntington Park High School has had the pleasure of having Mrs. Marylyn Richardson as a counselor. It is very evident, in talking to Mrs. Richardson that she loves her work. She says that "individual; one on one contact" is what she enjoys in her counseling duties. Strangely enough she doesn't mind doing all the paper work and recording which is involved with her job.

Mrs. Richardson feels that the students at Huntington Park High are a "great group of kids" and she also adds that "the staff is great." This makes everyday at H.P. a memorable one for her.

Born in Los Angeles, she attended Washington High School, then went on to U.S.C. where she majored in Physical Education.

In the 38 years, in which she has been in the teaching profession, she's taught Physical Education, Mathematics, Guidance and Counseling.

She has also raised two children, one of which has been teaching for the last 10 years. Mrs. Richardson enjoys outdoor activities such as fishing and walking on the beach, especially at sunsets.

As far as her future is concerned, she has been seriously considering retirement, but seems to say "wait until next year."

On a humorous side, she would like to remind all students that she is "not Mr. Goulet's grandmother nor past homeroom teacher."

Wanda Crim a teacher for 20 years, has spent 15 years here at H.P. Crim teaches Biology and Life Science. One of her most memorable moments was when those few students who entered the Science Fair received honorable mentions. She says she likes H.P. because the students are polite and she's met many interesting people here.

"One of my most embarrassing moments here was one day while I was lecturing," she says. "I was walking across the room and one of my heels broke off!" Needless to say she walked around for the rest of that period like Captain Hook!

Crim was born in Saint Louis, Illinois, and attended high school there. She then proceeded on to Southern Illinois University in Edwardsville where she received her B.A. She then was off to the University of Illinois and then UCLA where she took grad. courses.

Fred Pease was born in East Los Angeles. His family moved to Brawley and later to Redlands where he graduated from Redlands High School. He attended Bakersfield College for two years because it was three blocks from his new home. He later transferred to U.C.L.A. to get a degree in Music with a minor in Math. He also studied at Long Beach State, Fresno State, and Connecticut Wesleyan where he earned a Masters degree in Liberal Studies in Mathematics. From 1957 through 1968 he was the Orchestra and Marching Band director at Huntington Park High School and the Music Department Chairman. He later became a full-time math teacher and Math Department Chairman. He now teaches Math Analysis and Computer Science.

"Some of my most memorable moments at H.P.", he said, "were of the Band and the annual band banquets which we often spent months planning. One time the musicians got together and bought an embarrassingly expensive leather briefcase for me. Many years later a former band member returned from a tour in Viet Nam and brought me a set of miniature Asian musical instruments.

"My hobbies include woodworking, metalworking, making things work that won't, and any construction or invention projects." He has invented several devices for teaching music. "Currently computer programming is a big hobby, and of course, lots of music" he said. He sings in and directs church choirs, gives private music lessons, and once directed the All Southern California Honor Orchestra.

"I like helping students, because here at H.P. they are nice and well mannered," said Mrs. Joan Straley, our school librarian since 1978.

She was born in Los Angeles and graduated from Wilson High School. During her high school years she was a friend of Mr. Jack Roberts. She says she'll never forget him because "...he was the first guy that let me drive his car, wasn't that cute?"

Mrs. Straley graduated from Cal. State L.A. and received a masters in Library Sciences from USC. She worked as a clerical supervisor at the county hospital, while attending college, even though she was raising three children.

Mrs. Straley loves to swim, camp, and waterski. She also likes to read. Biographies are her favorite because she enjoys reading about the people who contributed to life but aren't necessarily famous.

Her most embarrassing moment at Huntington Park was when the Book Fair was here in 1979. "I had dressed in a hurry and didn't notice my big mistake. At the end of the day, Mr. Baskett and I were standing by the door checking that everyone had paid their books, when I noticed that Mr. Baskett kept stealing glances at my feet and smiling. When I looked down I saw why — I had put one each of two identical pairs of shoes; one black and one brown!"

For the past 20 years, Huntington Park High School has had the good-fortune of having a teacher and tradesman on our staff. Mr. Francis Joseph Darrow Jr. has passed on his extraordinary skills, in both sheet metal and welding, to many of our past graduates. Through the years Mr. Darrow has also kept up his goal of, "upgrading his professional status, and learning more technical skills in his trade."

"This school is very friendly and the students work as hard as possible," comments Mr. Darrow. One of his most rewarding experiences at H.P. was when one of his students, Miguel Villalvazo, received the Student Award in the Industrial Education Metal and Welding in 1985. Miguel was recognized for his achievements as an outstanding student in the Sheet Metal and Welding Program. Later he was awarded a Medallion at the Eighteenth Annual Industrial Education Awards Program.

Francis Joseph Darrow Jr., born in Los Angeles, attended Loyola High school in Los Angeles. After High school he attended Trade Tech, then transferred to C.S.U.L.A., where he received his B.A. Mr. Darrow has his degree in Industrial Arts and Vocational Credential in welding, along with being a licensed welder. In his spare time, he likes to build cabinets and build steel fencing. He has spent time in the last couple of years building protective fencing around our school.

We all agree Mr. Darrow is definitely an asset to Huntington Park High and we are all proud to have someone with his talents teaching at this school.

Charles Ronald Baskett, a man with a thousand stories to tell was born in Seattle, Washington. He went to high school there, then went directly into the service. After a short spent in the service, Basket enrolled in USC then to UCLA Where he received his Masters degree in English. Baskett has been at H.P. since 1972 and has accomplished quite a bit. He teaches English and is the reading and test coordinator. He is also in charge of the "Squirt" and Core vocabulary programs, not to mention he is responsible for H.P.'s Book Store.

Before teaching he was an expeditor, and was a radio broadcaster. He also did some newscasting and has a few commercials tucked under his belt. Some of his hobbies include water sports, reading and skiing (which he loves!).

Baskett likes H.P. because things are always happening and changing. "No two years are ever the same" he said "you always have different teachers in different situations, I find it more interesting than a plain 9 to 5 job."

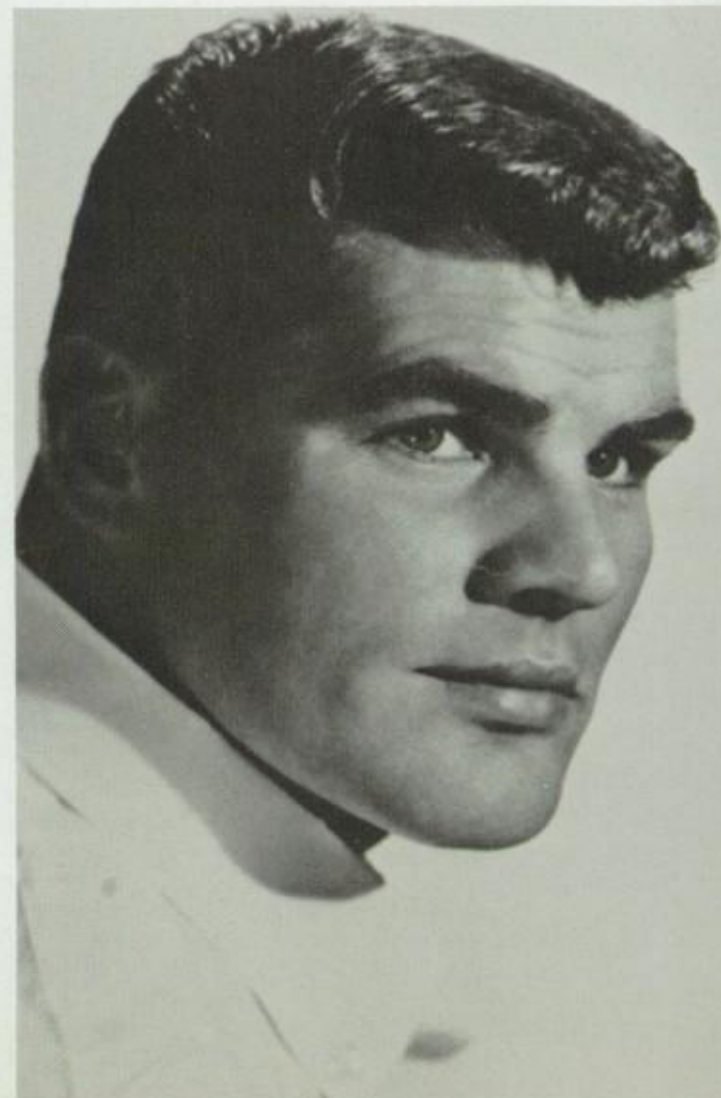

A few of his goals in life are to gain financial independence and travel. He plans to build his dream house this summer in Sun Valley, Idaho.

Mr. Leon Leyson, Industrial Ed/Machine Shop teacher, Work Experience and R.O.P. advisor, has been at Huntington Park for twenty-seven years. He was born in Poland and attended Cal. State L.A., USC, and Pepperdine University.

His hobbies are reading, skiing, and design. He enjoys designing one-of-a-kind gadgets around the school for use in security, computer repairs designed and built the sophisticated security devices in room 12. The district and computer distributors highly praised Mr. Leyson's design.

He likes H.P. because of the kind of people that are here, students as well as the faculty. He was offered other jobs but turned them down because the community and the people make it all worth while.

Mr. Leyson has done a lot for our school. He is an important part of our faculty.

The 1985-86 Varsity Football team had many expectations this year as the Defending League Champions. Coach Dwight Muskrath and Coach Albert Parkhill fielded an excellent team, with Carlos Salvatierra on defense and Alfred Hernandez on offense leading the team.

The team began the season by winning their first two games but by the 5th and 6th game the team was being hampered by injuries. Pedro Avila struggled to keep the injury riddled offense moving, with the help of Eddie De la Torre. Considering the injuries, it was a good Season for the Spartans.

The Huntington Park BEE Football team rolled to another undefeated season, capturing the championship for the second year in a row. This year's football team had a new coaching staff. Coach Phillips and Coach Bozovich held their own in the competitive Eastern League. Mike Madrid on defense and Gilbert Lugo on offense helped lead the BEE team to a victorious season, outscoring their opponents by large margins in each game. Although they began the season a bit apprehensively, once they got started there was no stopping them.

VARSITY CROSS-COUNTRY

Cross-Country was not just racing three smiles over lonely hills: it was endless hours of interval training and long distance running; it was injury; it was pain, but at the same time, it was satisfaction.

This years MVP is an outstanding freshman Gonzalo Ramirez who accomplish 5th place in league and qualified for the semi-finals. He was one of the very few freshmen to qualified for the varsity city finals. He is now rank 19th overall.

The girls team suffer a lost of teammates who for some reason or another had to leave the team. As a result of this the three girls, that were left participated as individuals.

The Cross Country team would like to thank their new coach Ms. Spencer, for bringing the team together, for her contagious self-confidence, and spirit and for teaching them that winning was not everything that it felt just as good when you perform up to your potential!

The Varsity Volleyball team had an extremely successful year, as they took second in league.

Since they practiced almost everyday for 3 hours to improve their serves, spikes, setings, blocking, double blocking, digs, and additional exercises, it was no surprise that they did so well in city.

The team had many outstanding players as MVP Josie Gonzalez, Anna Mendoza, and Gilma Garcia.

The JV Volleyball team during the league season only lost to Bell. With an 11 and 3 record they captured 3rd place in league.

Team work and hard work were the key to their success. The team gave a lot more effort than anyone expected.

The top players were MVP Luz Cabrera and Fina Chaidez.

Challenge and determination is what Coach Bonnie Jones taught the 1986 G.I.A. Varsity Basketball Team, throughout their season. Coach Jones was confident that with the talents of Martha Gonzalez, Kellie Griffiths and Carmen Perez, her team would place high in the standings. But with four wins and six losses, Coach Jones was proud of her team for giving their best.

With the returning players such as Claudia Pichardo, Aileen Lopez, Brenda George, Alicia Amador and Reyna Teran, our Varsity Basketball Team will certainly strive for next year's League Champs.

In defending their last years title as league champs, the 1986 Varsity Tennis team began with some difficulties in obtaining the title. The team was composed mostly of returning players Juan Arellano, Tin Tran, Eduardo Gonzales, Mario Montano, Daniel Barroza, and Francisco Marin. Although this years team was experienced there were a few setbacks, injured players and others ineligible to play. But under the direction of Coach Ted Manos the team was able to make the most out of their situation.

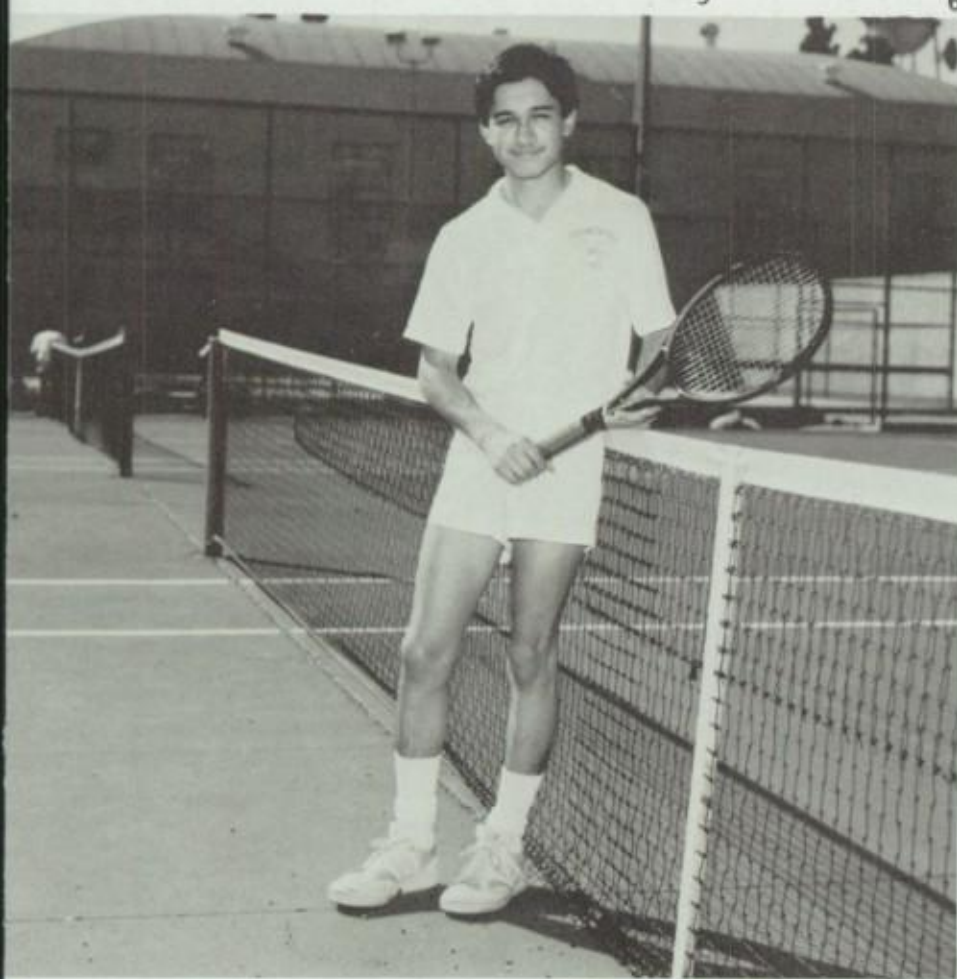

It is hopeful that once again Coach Manos will guide his team to league champs.

BOTTOM ROW — Coach Parkhill, John Randell, Mauricio Placencia, Teddy Serna, Eddie Romero, Gonzalo Ramirez, Carlos Herrera, Abelardo Juarez, Coach Gadbury.

This year's Varsity Track Team is very energetic and tough. The team consists of returning players such as Jesus Valdez, Richard Hernandez, Roger Magana, Moses Nava, and other new runners who are expected to do very well. With the prominent factors of experience at competing and winning, the team can look forward to a championship in "86".

Coaches Parkhill and Gadbury are confident of placing many of the Varsity members in individual City Finals. Overall the coaches feel this year they will be a force to reckon with.

GIRLS TRACK

BOTTOM ROW — Angie Torres, Maria Mendoza, Rosa Lopez, Michelle Paz, Lucretia Hernandez, Betty Ariaga. TOP ROW — Coach Atkinson, Norma Lopez, Giselle Perez, Julie Paz, Sandra Hernandez, Isela Gallardo, Angie Ordonez. Not Shown: Angie Saavedra.

The outlook for this year's Girl's Track Team is very promising. The Lady Spartans are optimistic about doing well this year. With the experience of Lupe Velasquez, Angie Saavedra, and Julie Paz along with first year runners Angie Torres, Rosa Lopez, and Sandra Hernandez the team will challenge other league team opponents. Coaches Parkhill, Atkinson and Gadbury believe that this year's team has a good chance of taking the league championship plus placing many of our runners in the league individual finals.

BEE TRACK

BOTTOM ROW — Coach Parkhill, Gilbert Lugo, John Armenta, Michael Madrid, Javier Garza. TOP ROW — Joe Quijas, Carlos Chavez, Alfredo Reyes, Ralph Castillo, Jose Quirarte, Alfred Vargas, Eddie Rodriguez.

This year's Bee Track Team is filled with many first year runners. Although Coaches Parkhill, and Gadbury are optimistic about the year team they know it will take a great amount of hard work to take League Championship. The team realizes the amount of work needed to reach their goal are equal to the task at hand. The Bee Team is definitely one to watch.

CEE TRACK

Small but mighty, the Cee Track Team will display extra-ordinary skill and promising talent. Although they lack overall size, they will make it up with oversized hearts. With determination and heavy workouts, the team can look forward for a splendid season.

Huntington Park High's Gymnastics Team promises to uphold the foregoing years winning tradition. All but three of the determined gymnasts are returning lettermen who last season led H.P. to an Eastern League Championship and second place in All-City.

Gymnasts such as Juan Valenzuela, Marco Gonzalez, Hector Aguilar, Jesse Hurtado, Frank Camarillo, and Jose Madera, strengthen the team by specializing in at least three or more events. Notwithstanding the other six gymnasts whose contributions, Coach Didio feels, are as important to the teams' overall success. Didio feels that the three newcomers, Tim Cho, Max Argueta, and Victor Hernandez will strongly support the team. "Our first goal is to win League Championship. This will qualify us and give us a chance at an All-City Championship," said Coach Didio.

Constant improvement from last season to this season will enable the team to achieve that goal. In Coach Didio's opinion, "Everybody on the team is a dedicated, hard-working gymnast. Their contributions are what makes the team a winning team."

In our 1986 Baseball Team we'll be looking out for a successful season. Returning players are Pedro Avila, Marcos Carrillo, Eddie De la Torre, Jimmy Escobar, Carlos Martinez, Jose Noriega, Tony Olivo, Cesar Rivas, George Romero, and Carlos Salvatierra.

"We should have a good year if players stay hungry," said Leading Coach Brian Ota, smiling. We will have a chance to take 1st. We'll need consistency both offensively and defensively. Last year they took 3rd place in League. But this year we wish them luck, and hopefully we'll see some great results.

A young squad with all new players which are competitive in league and exciting for their fans to see in action. "Earlier in the season we were working on pitching and practicing our hitting," commented Coach Bozavich. Highlights of this season (3-3) so far has been the power hitting of Eduardo Munoz who has transferred from Texas and born in Nicaragua and the fine pitching of Manuel Vasquez have proved to be very important to the team. With new players like Eduardo Munoz, Mañuel Vasquez, Marvello Baeza, Raphael Castillo, and Jesse Marquez which are doing fantastic with the joining force of returning letterman Hector Flores.

With hard work, dedication and spirit the team will strive for success against Bell, South Gate, Jordan and Washington High Schools. With eight returning players including Catalina Segura, Josie Gonzales, and Letty Gomez the team is sure to have a winning seacon.

J.V. SOFTBALL

1st row L-R Aracely Morales, Lilly Rios, Alma Rico, Patty Perez **2nd row** Eliz Marques, Amansa Ochoa, Romoma Juarez, Kim Morgan, Yvette Teran **3rd row** Patty Varela, Lorena Vargas, Alma Serrano, Anita Segura, Coach Spencer

This years J.V. Softball team is under new coaching by Ms. Spencer. Although the team lacks experience they have proven to be tough by a wide spread victory over Verdugo Hills High at the beginning of the season.

With returning players such as Yvette Teran, Kim Morgan and Amanda Ochoa to give the new girls a little courage and a helping hand, this years team will prove to be tuff competition.

We would like to wish good luck to Ms. Spencer in her first year here at H.P. as the new J.V. Softball coach.

This year's Powder Puff football game was a very exciting event. With the Junior girls making first touchdown, the Seniors came back even harder. The game ended as a 6-6 tie. The Powder Puff Princeses were: Richard Hernandez, Moses Nava, Duane Cabot, Marco Gonzalez. The selected King by the students was Dennis Marroquin.

This game proved that "women" can do what "men" can do (and vice-versa).

As the photograph demonstrates, we can't forget our wonderful male cheerleaders, who stole the show.

Dear Diary,

Wow! it's hard to believe that eight months of designing layouts, waiting for pictures to arrive, and finalizing quad-pacs has finally come to an end. Even though some of the staff was new and inexperienced, they learned quite quickly.

If someone had told me three years ago, when I joined yearbook staff, that I would be editor in my senior year I probably would have laughed. I scarcely knew what a layout entailed, let alone what purpose picas or croppers served. I hope everyone who reads this book will appreciate the time and dedication put into it.

I want to thank my staff who did a terrific job and to whom I wish all the best next year. I'd also like to thank my two sidekicks, Laurie and Nidia, for sticking by me these last eight "insane months". Last, but not least, much thanks to Mr. Geilenfeldt for giving me the opportunity to be the editor of Huntington Park High School's El Recuerdo, 1986. It added a special touch to my senior year. Thank you ... Judy Kahl, Editor.

This has been another good year with the yearbook staff of 1986 El Recuerdo. It was a pleasure to work with these students throughout the year. Approximately 35 students were involved on 3 tracks planning this year's book. The staff works all year-round from July thru March designing layouts. Usually 10-12 students are rotating out every 8 weeks due to the track system, this is what makes life "fun" as the advisor. The students who start planning and designing a section; most often, are not the same ones who finish the section.

It has been a pleasure working with the Editor Judy Kahl, this year and my right-hand man, Mario Montano. There were so many involved and dedicated students this year it would be hard to mention all 20-25 names. Thanks to all the seniors who worked hard through all my yelling to meet deadlines, drawing layouts after layouts, cropping pictures, etc. This is a well-planned book. You can be proud of your 1986 El Recuerdo.

Thanks to Wayne of Robert's Studio for all his hard work and hours of giving us excellent quality pictures.

We, of the El Recuerdo Staff, dedicate this book, "Diary 86", to the seniors of Huntington Park High School with Honor and Pride. Best Wishes!

Larry Geilenfeldt
Adviser

The 1986 El Recuerdo was assembled by the yearbook staff of Huntington Park High School.

This year's book was published by Jostens Publishing Co. in Visalia, CA. at the price of \$15.00 per book. There were 800 books published. The paper was gloss 191.

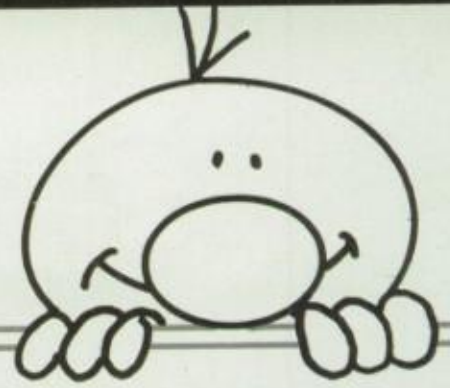

The book consisted of 208 pages, including 48 pages of color. Developing of color and black/white pictures were processed by Roberts Studios in Los Angeles. Photographs were taken by Wayne from Roberts Studios and El Recuerdo staff photographers. Senior portraits were taken by Roberts Studios.

MOMENTS TO REMEMBER

Always & Forever Prom '86

Dear Diary...

The most important night of my Senior year had finally arrived, April 19, "Prom-Nite". It was so exciting seeing hundreds of Seniors pull up to the Biltmore and literally fill up the Crystal Ball Room. It seemed like an illusion or a fantasy seeing everyone dressed up so elegant. There was never a dull moment, whether it was dancing, eating or taking Prom portraits. But the most exciting part was awaiting the announcement of Prom King and Queen. It was a tough decision but was finally made Duane Cabot and Kellie Griffiths were crowned 1986 Prom King and Queen. Believe me this was a fantasy come true, I knew it was a night I'll always remember and hope it would last forever.

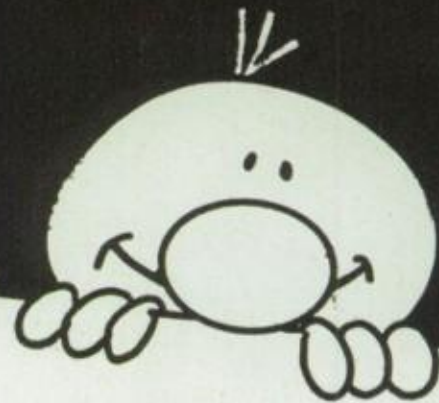

1. Prom King and Queen, Duane Cabot and Kellie Griffiths start off the dance. 2. Josie, Marcos, Claudia and Dennis proudly stand as prince and princesses. 3. The 1986 Prom Court candidates anxiously await the announcement of Prom King and Queen.

4. Juan and his date show off their well fed smiles.
 5. Yolanda, Zeke, Eisa and Franky giving their sophisticated looks.
 6. The 1986 Prom couples dancing the night away Always and Forever.
 7. Cindy and her date show how happy they are at Prom.
 8. Nidia and Judy show off their gorgeous Prom dates.

Dear Diary...

The tradition for seniors of Huntington Park to have breakfast together two weeks before graduation had finally arrived. It was held at the Luminarias Restaurant. It was a perfect time for us, the class of '86 to go back in time and remember all the good and bad times we all shared together. Smiles, laughter and jokes lit up the room as the awards of the Senior Poll were being handed out. After the awards, the D.J. started playing and all of us started dancing with such joy that we all became one, and this made the best Senior Breakfast ever held at Luminarias.

Senior Breakfast

1. Lourdes, Lucy and Ingrid entering Luminarias. 2. Cheeseeee. 3. Seniors interestingly choose their breakfast. 4. Having a hearty meal is Kevin and Julio. 5. Many seniors anxiously await to see if their names are called out for the awards. 6. Julie proudly shows off her award. 7. Aracely, Judy, Martha and Rocio show off their friendliness. 8. Friends gather around to take a picture. 9. Mary and Jackie wait until the picture is taken before eating.

Grad-Nite '86

Dear Diary...

I can't hardly believe the night went by so fast. Pirates on the high seas, rockets blasting through space, giant animals roaming the park ... all were a part of Grad-Nite '86. On this long awaited night of June 20 at 9:00 p.m., I anxiously boarded one of those big yellow buses for the last time, which would drive me to a destination I will always remember forever. As I walked through those gates, it seemed as if I had been whisked across a galaxy to a land where all my childhood fantasies existed. With the background filled with out of sight sounds of Starpoint, Klymaxx, Mister Mister, Papa Doo Run Run and Miami Sound Machine. I lived a night of laughter, amazement and wonder as the enchantment came to a close, I reluctantly returned to reality.

Graduation '86

Dear Diary...

On June 27, 1986 graduation day finally arrived for all the Huntington Park graduates. When I got to the Long Beach Civic Center at 2 p.m. I felt a sense of accomplishment, though there was still an empty feeling. I guess it was the fact that I would never see most of my friends. I couldn't believe that after four great years of high school I was going to start a whole new life on my own.

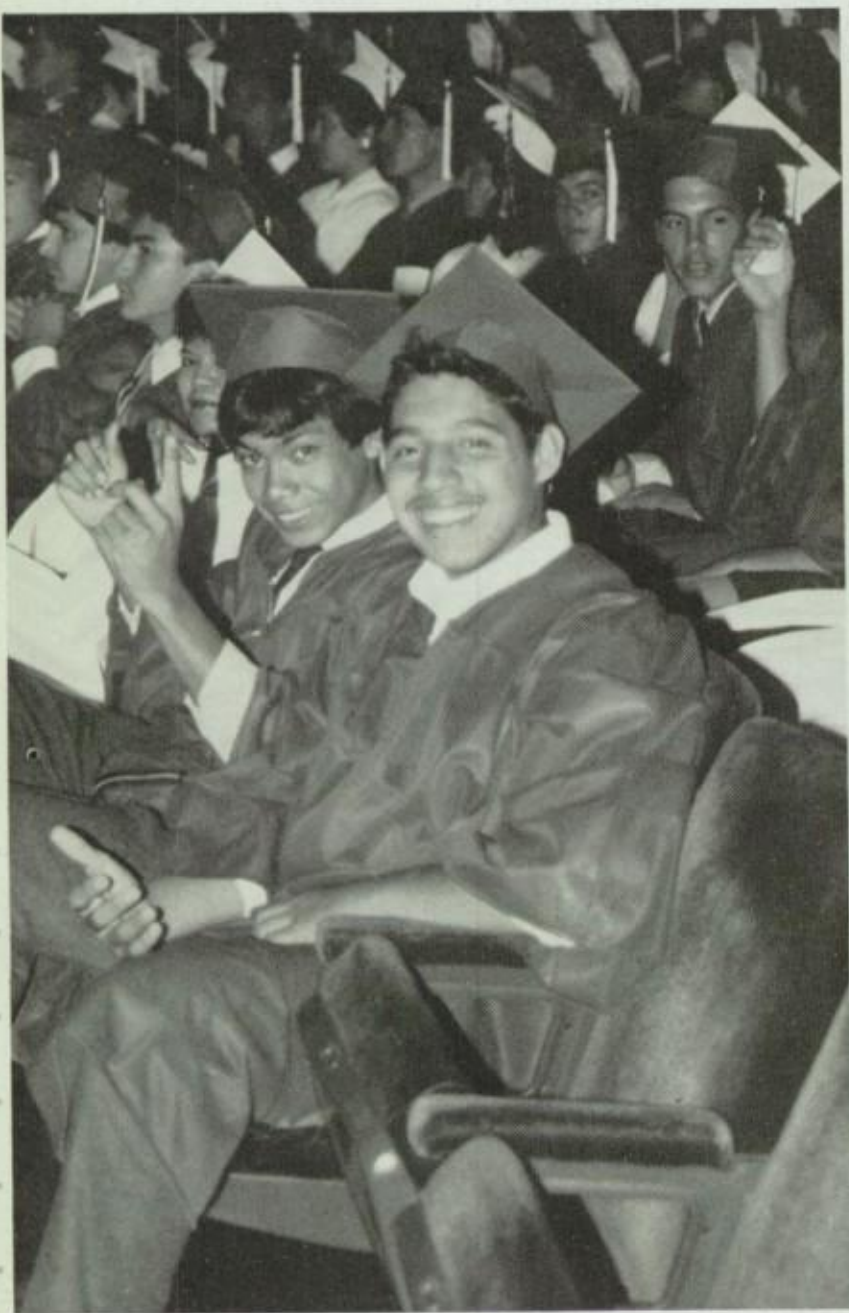

As the ceremony began Eleanor Rosenblum, the senior class president started us off with the pledge of allegiance. As we all said it together, I started remembering how I always took it for granted during the school assemblies.

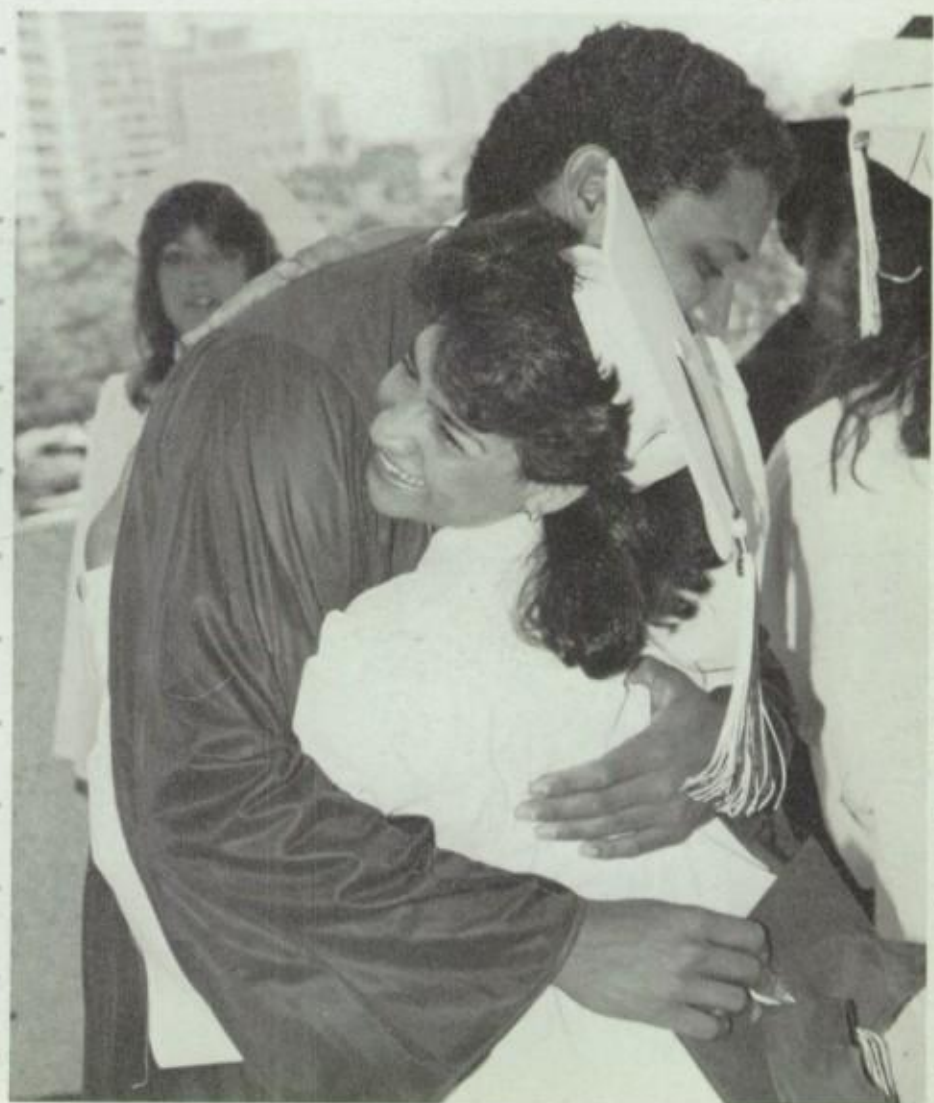

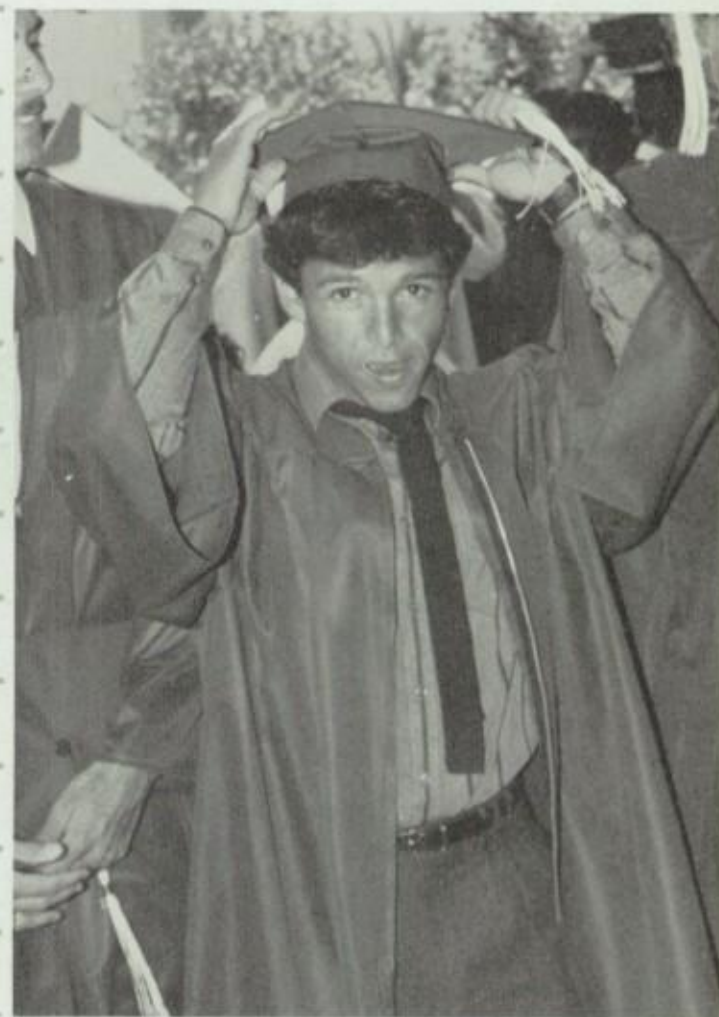

The time soon came for us to turn our tassels and walk across the stage. I began to feel very nervous. Although I did feel proud of myself because I graduated. Then as we all walked out, hugs and tears were exchanged by all of my friends.

1. Jorge Romero walking into the Long Beach Civic Center enthusiastically. 2. Veronica Machuca smiles joyfully into the camera. 3. Pilar Artigau and Monica Armendariz reaching up for the high five. 4. Seniors helping each other out right before the final moment.

Graduation '86

1. Bright smiles are seen throughout the rows of graduating seniors. 2. A little of individuality never hurts anyone. 3. Warm smiles and hugs were given by close friends. 4. Mr. Glos directing seniors on to the stage. 5. Marco Gonzales always gets the girls. 6. Miguel Mendoza adjusting his cap. 7. One final shot of the old gang. 8. A hug exchanged by two close friends.

GYMNASTICS CITY CHAMPIONS

The Huntington Park Gymnastics squad succeeded in promising a great performance throughout the year. With participation that showed their ability as the past years with great effort in team work which led them to a winning season.

In coach Didio's opinion, "Everyone on the team was a dedicated, hard working gymnast. That's what led them to the All-City Champs and also led Huntington Park to an Eastern League Championship with great honor and pride."

Jesse Hurtado gave his outstanding performance in achieving the Most Valuable Gymnast Award. While Rudy Correa led 2nd in league on the pommel horse and Juan Valenzuela also placed in league on the rings which also gave them something to be looked upon.

Other strong assets of the team were Jose Madera, Marco Gonzalez, Max Argueta, Victor Hernandez, Frank Camarillo, Tim Cho, Tom Falvey, Hector Aguilar, Juan Valenzuela and Dennis Marroquin.

Therefore, the Huntington Park Gymnastics Team will always be remembered in the upcoming years for their excellent team effort, for having a winning season.

BASEBALL

Our 1986 Huntington Park Baseball team was looking forward to a very successful season. Returning players were Pedro Avila, Marcos Carillo, Eddie De La Torre, Jimmy Escobar, Carlos Martinez, Jose Variega, Tony Olivo, Cesar Rivas, George Romero and Carlos Salvatiera.

Eddie De La Torre made Eastern League, First team and 3A City First Team and Second Team South East League. Eric Rodriguez made first team League and Second All South East League. Pedro Avila was Co-Player of the Year and Eastern League First Team, South East and First Team 3A City. Cesar Rivas was selected first team Eastern League.

"We should have a good year if players stay hungry." said coach Ota with a smile early in the season. After making it to the playoffs. Huntington Park defeated Belmont by a score of 2-0. They went on to beat University 5-0. Finally, the Spartans beat Franklin 15-1 placing them in the finals. The Championship game was played at Dodger Stadium, 4:30 p.m.

Huntington Park's opposing team was Venice High School. Unfortunately, H.P. was defeated by Venice with the score of 11-3. Huntington Park played 15 games and of the fifteen, they lost only three. That record gave them first place in Eastern League Champs.

TRACK & FIELD

It was another season over .500 for the Spartan Varsity Track team. With a record of 4 wins and 3 losses the Spartans relied on the talents of Richard Hernandez, Jesus Valdez, Moses Nava, Martin Coton, Reyes Montoya and Gonzalo Ramirez.

Richard won League recognition with a first place in 330 hurdles, second place in long jump and third place in the triple jump.

Unfortunately only one Spartan went on to City Finals; 9th grader Gonzalo Ramirez. He placed 2nd in the Cee's 880 race.

CONGRATULATIONS AWARD WINNERS

KIWANIS OUTSTANDING AWARD

In 1986, the Kiwanis Outstanding Award was given to David Villaseñor and Martha Carrillo. The award was presented to those two students because they showed devotion to their education as well as giving their all for the school and the community.

STUDENTS OF THE YEAR

Through hard work and perseverance these five students: Ana Reyna Ramirez, Oliver Perez, Paul Stout, Reyes Montoya and Martha Carrillo, were chosen as the Students of the Year, congratulations! We would also like you to acknowledge the fact that Martha Carrillo was chosen as the Top Student Of The Year. Congratulations, once again to Martha.

B'NAI BRITH TOP STUDENT AWARD

B'nai Brith Top Student Award was given to Jorge Mata, who showed dedication to his education. Jorge was involved in school activities as well as being a member of various clubs. Thank you Jorge, for all the hard work you did for the school.

The Rotary Awards were presented to Reyes Montoya and Monica Armendariz (picture unavailable). These two students participated in school activities, clubs, Stockton Court lunch Activities, school improvements and many others. We are glad to have known two such outgoing students willing to put time and effort for the well being of the school as well as the community.

ROTARY TROPHY AWARD

HONORARY GRADUATES

Anne Hanratty

Joan Ramsey

Tom Ulman

Mary Ann Wisda

As the year came to a close, Sparta said a sad farewell to retiring faculty, Mrs. Hanratty, Mrs. Wisda, Dr. Uhlman and Mrs. Ramsey. Mrs. Ann Hanratty who taught in the Science Department at H.P. for the past twelve years. She is planning to spend more time with her family. Mrs. Mary Ann Wisda, a favorite here at H.P. for the past seventeen years, was also a Science Department member. She is planning to continue her teaching profession at UC Irvine. Dr. Uhlman worked as a Foreign language teacher at Sparta, since 1953. He is planning to travel and research. Last but far from least is dedicated teacher and also a former H.P. graduate, Mrs. Ramsey, our college advisor. She plans to spend time with her family.
